News in Room 18 for the Week of December 12, 2011

Homeroom: We are collecting gifts for a 2 year old boy for our holiday gift drive until Wednesday. Gifts should be wrapped and tagged with a tag that says “boy,2”. Thank you so much for your support.

Math: We will continue to work on multiplication and division facts. We will begin our next geometry unit this week, which is Topic 14 in our text book.

Language Arts: We will continue our mystery activities and continue reading the novel *Howliday Inn*. Please remember to turn in reading contest slips as well as weekly reading logs. We will NOT have a new spelling or vocabulary list this week.

Science: We have begun a new unit called Mystery Powders. We will continue investigating the five mystery powders this week.

Social Studies: We will continue to learn about the Midwest region. In addition, our study of Abraham Lincoln will continue. We will continue researching Abraham Lincoln as a model for the at home research of your famous person. **Remember, the completed research packet is due for review on Friday.** We will begin the writing process after break.

Other Reminders: Our last day before break is Tuesday, December 20th. At 1:00 on Tuesday, there will be a special presentation in the LRC for fourth graders and the party will begin at 2:00. Thank you to all those who have planned and/or will be contributing to the party. Have a great winter break everyone and a happy, healthy holiday season. Merry Christmas!
