

# Welcome to the Tate Woods Library Resource Center

It is our pleasure to help your child find reading materials as well as information on topics of personal interest. We also supplement the curriculum through multi-media materials including programs used in our computer lab.

Educational research shows the more children are exposed to libraries, the better they perform academically. Last year over 38,000 books were checked out from our library! Please share your child's library book and return it to school when you are finished.

Books are overdue if not returned one week after checkout. We will gladly renew titles if no one is on the waiting list. Late fines are never charged, but the cost of replacing a lost or damaged book will be assessed. Help your child to be responsible with LRC materials by finding a safe place to keep books at home. Notice the book care rules below.

Visit our web site at [www.lisle202.org](http://www.lisle202.org). Click on Tate Woods then LRC to learn more about our programs. Call or email me with any questions. We can always use parent volunteers to assist children. Children check out books throughout each day rather than on a scheduled library day. Please call or email my assistant Mrs. DeBaerd to schedule a time to help.

We offer parents the opportunity to select a book in recognition of their child's birthday for the LRC. We have a selection of titles. The cost is \$15.00 for a book. Call Mrs. Bauman or stop by Tate Woods LRC for more information.
