

C.U.S.D. # 202
Schiesher Elementary School

Mrs. Hicks
Room 100

News in Room 18 for the Week of March 8, 2010

Homeroom: ISAT testing will take place this week. As always, but even more importantly during ISATs, try your best to be on time to school each day. Permission slips were sent home for a field trip to the high school. Please return as soon as possible. Failure to turn in will result in staying back from the trip.

Math: As ISATs are underway, our math schedule will be different. Our normal math routine will resume after ISAT testing.

Language Arts: We are learning about the genre of fairy tales this week. In addition, logs, spelling, vocabulary and contest slips have all resumed this week. Keep reading everyone!

Science: We will continue studying food chains and webs with investigations on growing plants and an investigation on crickets and anoles in the weeks ahead.

Social Studies: A letter explaining the Famous Person Presentation and Learning Fair is being sent home. Please read it carefully and let me know if you have any questions. The Learning Fair is next Tuesday and students should be practicing their speeches and finding costumes. Costumes should be brought to school on Tuesday, March 16th. In addition, we will be learning the western region states and capitals. There will be a quiz over this region on Friday.

Other Reminders: The Earth Foundation T-shirt sale ends next week. I hope you can participate by asking family and friends to buy a shirt.
