Dear Students,

Thank you for participating in my Summer Reading Club! I believe in the power of reading and encourage all children to read every day.

Being a Summer Reader is an easy way to participate in the interesting and adventurous world of literature. Experts and parents agree that reading makes a big difference in development of a child's intellect, artistic skills and imagination.

Also available from our office are brochures on Bicycle Rules, School Bus Safety, and Internet Safety.

Sincerely,

Sandra Pihos

State Representative SANDRA PIHOS' 9TH ANNUAL 2011 SUMMER READING CLUB

1. Representative Pihos' Summer Reading Club challenges Kindergarten to 5th grade students (but children of all ages are welcome) to read 8 different books of their own choosing during their summer break. Reading is the best way for children to stimulate their imaginations and Representative Pihos encourages every child to join her club.
2. Once a student who wishes to participate completes the reading, Representative Pihos asks that they fill out the form, have a parent, guardian or family member attest to their reading and return it to her office by **August 29, 2011**.
3. All children who have completed the Summer Reading Challenge are invited to participate in a family pizza and ice cream party hosted by Representative Pihos on **September 9th from 6:30 p.m. to 8:30 p.m.** at Glenn Westlake Middle School, 1514 S. Main St., Lombard. Awards will be given promptly at 7:15 p.m. with entertainment to follow.
