

Coach Jason Wiertel had his charges up for the task Friday afternoon in state tournament play defeating Mattoon 6-2, to send them into the semi-finals in the second game of Saturday's tournament action. The Lions were unable to keep the momentum going as they were overmatched by Normal Parkside falling 12-0 in 5 innings of play. However, Lisle in only its second year of action, rebounded from the loss to capture third place with a 4-2 victory over Manteno. The Lions captured their first-ever IESA 3rd place tournament trophy with the win. Congratulations on a highly successful, 14-6, campaign!
