

Birthdays in Mrs. Klimes'

Class

Dear Families,

Each year, many parents have questions about how we celebrate birthdays in Kindergarten. I feel that birthdays are very special and they are important to celebrate! Here is a general idea of how things go in our classroom:

What **WE** Do at School:

- Your child will wear a birthday crown with her/his name on it.
- Your child will receive a birthday card and t-shirt from me. When your child brings home the t-shirt on her/his birthday, please be sure to read the special care instructions before washing it.)
- We will sing the "Happy Birthday" song, "Candles and Cake" song, and the "Birthday Hand Jive" song.
- Your child will get his/her picture taken for our class book.
- Your child will get to go to the office to receive a book from the principal.

What **YOU** can do:

- You are more than welcome to send in a goody bag with FOOD FREE items (as is noted in school policy—please see your handbook for questions) for your child's classmates if you wish to do so. It is not something that you have to do. If bags are sent in, your child will get to pass them out at the end of the day so his/her classmates can take them home.

But My Child's Birthday is in the Summer!!! No worries! We will definitely celebrate your child's special day! I will send home a note far in advance so you know when we will celebrate it at school!

Thanks!

Christy Klimes
