Board of Education Highlights

May 16, 2011

District Art Show Winners Recognized

The District Art teachers introduced the student winners from the recent 2011 District Art Show held at LSHS in conjunction the high school musical. Twelve student winners representing all four schools were recognized by the Board and congratulated for their good work and success.

Park District Lease Extended

The Park District lease of the Meadows Center was extended to December 31, 2011 to allow for consistent delivery of Park District programs while renovation of their new facility is completed.

Aramark Proposal Accepted

The Board approved the food service management proposal from ARAMARK to provide food services to the district school during the 2011-12 school year. The action is pending approval by the Illinois State Board of Education.

New School Improvement Positions Filled

The newly created position of Interventionist/Problem Solving Coach at LSHS was filled with the appointment of Jennifer Pomatto, currently a LSHS math teacher. Ms Pomatto has been actively involved in several school improvement activities at the high school including working with the student mentoring program and serving on the school Response To Intervention (RTi) team. Similarly, the Coordinator of Assessment and Quality Analysis position was filled by Valarie Goliber. Ms. Goliber has most recently worked in the Central Office assisting with maintaining our data warehouse and assisting administrators in managing data analysis as well as data reporting requirements inherent to a successful school improvement process.
