November 16th, 2011

Math:

We have pretested and placed students for our next unit covering: GEOMETRY. We will study the concepts of: Polygons, Quadrilaterals, Triangles, Angles, points, lines, rays, parallel, intersecting lines, perpendicular lines.

Keep reading over
Thanksgiving break!!!
Enjoy your books!

CAMP DUNCAN: We will be going on a field trip on Tuesday, November 29th to YMCA Camp Duncan. It is during the school day. I need one parent volunteer chaperone; if you are interested in going, please let me know and I will randomly choose from those that would like to go. Please let me know Monday if you are available!

Kenya Connect:

Keep reading for our Kenya Connect project! Please try to have any funds to school by Friday, December 2nd.

See you on Monday or Tuesday for CONFERENCES! I look forward to talking with you about your child.

IMPORTANT DATES:

- Monday/Tuesday November 21st, 22nd : Conferences
- Tuesday, November 29th: Camp Duncan Outdoor Education Field Trip: see permission slip for details.
- December 2nd: Kenya Connect Monies Due
- December 21st: first day of winter break
