

REMAINING IN A.T. LITERATURE

Once a student has been recommended to participate in the at Literature class, a review of students' performance will be completed at progress report time for the first quarter. The criteria for continuing in the AT class includes the following:

1. A student must maintain a **90% average to remain in the AT class.**
2. The student must have a **90% average in language arts** to remain in the AT literature class.

A recommendation for removal from the program will be made **at the end of the first quarter if the 90% average criteria are not met.** If a teacher or parent believes a student/child is not making acceptable progress in the AT class, a recommendation may be to discontinue in the AT program at any time during the course of the school year.
