## BOX TOPS

**Dear Parents:** The Lisle Elementary HSO will once again be collecting General Mills Box Tops for Education. This is a wonderful opportunity to help support our schools and we look forward to your participation. Clip and earn in three easy steps...

### 1. Clip Box Tops

Clip Box Tops from hundreds of General Mills products found through the grocery store. A list of products is on the back of this letter

### 2. Send Box Tops to School With Your Child

There are collection boxes at Tate Woods and Schiesher. The HSO will collect submitted Box Tops and send them to General Mills.

### 3. Our School Earns Cash

Twice a year, General Mills will send our school a check. We had a very successful year last year, with more than 11,000 box tops collected. Each box top is worth a dime! Please consider asking grandparents or neighbors without children in our schools to help collect. Thank you for your help with this goal. ~Katie Cracco, Box Tops Committee

### A Word of Thanks from our President:

*A very big thank you to those committees that organized events that took place at the end of the school year. Thank you to Katie Cracco and her committee for putting together Schiesher Field Day; Brandi Myslewic and her group of volunteers for making Tate Woods Field Day a success; and also to Stephanie Trussell and Shirley Soria-Gonzales for putting together Kindergarten Fun Day. Thank you to Carrie O'Connor and her crew for helping those of us who ordered supplies save not only time, but we saved a bit of money this year as well. Thank you to Patty Romo and Nicole Webb for the wonderfully creative bulletin boards, both at Schiesher and at Tate Woods. Thank you to Autumn Geist-Lombardo for all the food and drinks for the LEHSO Back to School Brunch. Thank you to Lisa Laue for assisting in picture day at Schiesher and thank you to Leslie Vasich for volunteering her time to help with pictures at Tate Woods. Looking forward to another very productive school year!*

Thank you all again so much for another successful year of the Wrap Pack School Supply Sale. We sold and distributed a total of 222 packs this year, about 20 more than last year, along with many other extras. Our first year working with EPI went well and hopefully we can continue to work with them. As a reminder, all products provided by EPI have a 100% guarantee, so if there are any issues with any supply, please let me know and I will help you (teachers or parents) get replacements. Pick up was fun this year with our "new" drive-up service and I would appreciate any feedback about whether we should try that again next year. I am so grateful for the support of the parents, all of the staff at Schiesher, and in particular Emmett, who helped us so much during delivery and parent pickup.

My biggest thanks go to the wonderful women who volunteered to help me throughout the process.

Thank you so much to Jennifer Hammer, Mary Oliphant, Mary Marsh, Jennifer Zink, Monica Wagoner, Suzanne Trotter, and Lisa Fitzgerald. I could not have survived without your help. We look forward to another sale in the spring. ~Carrie O'Connor, Wrap Pack Committee
