

# ***SPOTLIGHT***

*Dear Parents,*

*Beginning Thursday, September 4<sup>th</sup>, individuals from our class/school will be designated as the students of the week in a program we call “Spotlight”. On Thursday mornings we will take time for those individuals to share important things about themselves that will help the rest of the class get to know them better. Students are invited to bring in five to ten items that they would like to share with the class. These items may include pictures of their family and pets, collections that they are interested in, items that represent some of their favorite things and souvenirs from vacations. The students are encouraged to use their imaginations when choosing these items and to keep in mind that they will have about fifteen minutes to share.*

*On the back of this letter you will find a schedule of the day assigned to your child. If the assigned day is inconvenient, please let us know and we can change it. If you have any questions about “Spotlight”, please feel free to contact us.*

*We are looking forward to all the special presentations!*

*Sincerely,  
Ms. McTighe and  
Mrs. Stefani*
