

Student of the Day

In the beginning of the school year, before we begin our "STAR of the WEEK," each child will be chosen as our "STUDENT of the DAY." We will randomly choose a new student EVERY day until each student had been honored. STUDENT of the DAY will get to do special jobs and will tell about his/her favorite color, if he/she has or wishes to have pets, and what his/her favorite food is. You will receive a special note informing you that your child was our STUDENT of the DAY. Be sure to ask your child how his/ her extra-special day was! This is a great community building activity and it gives each child a chance to feel extra special!

I am looking forward to your child's special day!

Mrs. Klimes

P. S. A note will be sent home soon describing Star of the Week
