SCHIESHER ELEMENTARY
SCHOOL
THIRD GRADE

I dreamed I stood in a studio
And watched two sculptors there-
The clay they used was a young child's mind
And they fashioned it with care.

One was a teacher: the tools he used
Were book, music, and art.
The other, a parent worked
With a gentle, loving heart.

Day after day the teacher toiled
With touch that was deft and sure;
While the parent labored by his side,
And polished and smoothed it o'er.

Until at last their task was done,
They were proud of what they had wrought-
For the things they had modeled into the child
Could neither be sold or bought.

But each agreed he would have failed
If he had worked alone.
But behind the teacher stood the school
And behind the parent, the home.

Homework Policy

Assignments are given orally and posted on the assignment poster. The students are required to copy them in their assignment notebooks which are kept with the homework folders. The assignment notebook and folder are checked by the teacher, sent home, checked by the parents and returned the following school day with the completed assignments.

Time is given in class to begin an assignment. Any work not completed is considered homework.

If an assignment is overdue, a reminder notice is issued. Please sign and return it and the schoolwork the following day.

If your child is absent, an absent folder is made containing the daily homework and other notices. You may request that the homework be sent home with another child, or you may pick it up in the office at the end of the day.

Report Cards

Progress reports are sent home on an individual basis as needed about four to five weeks before report cards are sent. Report cards are sent home quarterly approximately every nine weeks.
