Thank you to all the families participating in our "Reading Makes Cents" program. Our students collected 84,714 pennies in their banks. With these funds we were able to adopt six animals (gorilla, baby orangutan, giant anteater, okapi, fruit bat, and poison arrow frog) at the Brookfield Zoo. We also were able to conserve acres of rain forest in the Andes Mountains of Peru. We were able to support victims from the tsunami in Japan.

Please continue with your child's daily reading habits right through summer vacation. You will find attached information about the Lisle Public Library Summer Reading Program. We strongly encourage all children to participate in this free program! Do not hesitate to call if you have any questions about any of our programs.

For those of you leaving our Tate Woods family, it has been an honor working with your child, and we wish you happiness in your future educational experiences. For those returning to Tate Woods in the fall, we would greatly appreciate your volunteer help in the LRC. Please sign up with the LEHSO, in your classroom, or call us and leave a message.

Thank you to our volunteers: chairperson Michele Gansberg, Tina Baur, Anne Blaeske, Nickey Brummel, Lizla Daniels, Mary Ebert, Rosemary Gallaway, JoAnne Haldeman, Connie Hoscheidt, Lanie Manns, Eunice McConville, Caroline Medrano, Susan Mitchell, Brandy Myslewiec, Carrie O'Connor, Mary Oliphant, Laura Olson, Darcey Pellicano, Julie Springer, Laura Tchakanakis, Leslie Vasich, Nicole Webb, Laurie Westerhoff, Jennifer Zink, and others who stopped by to put books away or help children.
