Thank you to Mayor Broda for serving as our election judge for the Monarch vote on February 18th. Our students selected Rhyiming Dust Bunnies by Jan Thomas as their favorite. This is also the official winner for the state of Illinois! Preschoolers selected Cat the Cat Who Is That and I'm Mighty as their favorites. Visit the Tate Woods LRC web site and take a peek at next year's Monarch nominations.

**We will be collecting all LRC books on Thursday, March 24.
Please use the spring break time to visit the Lisle Public Library.**

Thank you for participating in the “reading makes cents” program. **You may send your child’s rainforest bank to school beginning April 5th.** We would like to display them during the Learning Fair in the LRC on April 12th and 14th. **If your bank cannot be found, send your pennies in any container!**

Can you guess how many books we have read this year?

Our pennies will be protecting acres of South American rainforest in Peru. Funds will also be used to adopt animals at Brookfield Zoo. Our students have learned that reading can make a difference in our lives and in the world.
