Summer is an excellent time for your child to explore their passions through books. We encourage you to visit the Lisle Public Library and enroll your child in the summer reading program beginning June 5. Daily reading in the summer is the best thing you can do to insure academic success in the fall.

Accessing Books at Selected Reading Levels

- ◆ Navigate to the District 202 web site (see above) and click on the **Tate Woods button**.
- ◆ Choose **LRC** on the left side.
- ◆ Scroll down to "links" and choose "**Search Lisle District #202 Libraries**" in the box.
- ◆ Choose **Tate Woods** or **Schiesher**.
- ◆ At the Search Reading Programs drop-down menu choose **Accelerated Reader**.
- ◆ Enter a **reading level** in the "from" box and the **same** reading level in the "to" box.
- ◆ Click **Title**.

Use the **Accelerated Reader Bookfinder** tab to include books not owned by Lisle Elementary Schools.

It has been a pleasure working with your child this year.
