What's easiest way to get involved with LEHSO?

If you are short on time this year, one of the easiest ways to help the LEHSO supplement the funding of all of its activities and programs is to just fill out the attached form and join. With the new registration processes our membership numbers are a little low. Please take a moment to fill out this form and send it in with \$8 cash or check (made payable to LEHSO) if you have not done so already.

What is the HSO? We are a not-for-profit organization made up of parents, teachers, staff and administration. Through programs, fundraising and community outreach, we bring the home and school communities together in order to provide opportunities for our students. The success of the HSO is dependent upon the involvement by the families in our district. Please come to the meetings, share ideas, stay informed and get involved! Ask your school office for more information about our HSO meetings and how to volunteer. **Thanks for helping the HSO in continuing our goal to enrich our children's education!**
