

Dear Lisle Families,

This year we are beginning to prepare for our new school year earlier than in the past. We are opening up the online registration component early to assist our schools with planning for the upcoming year. Please carefully review the information included in this packet to prepare for child's registration.

This packet contains detailed information on the registration process for each family; including how to update registration information in the PowerSchool Parent Portal and which materials are required for registration.

All families are encouraged to upload copies of residency documentation in PowerSchool in the registration portal. You may also drop off your completed paperwork and residency documents at the school office once the offices re-open, or send copies via US Mail. At this time, we are unsure if walk-in registration events will be held due to the COVID-19 pandemic. Information will be shared once additional guidance is provided by the State of Illinois and the Illinois State Board of Education.

Please do not hesitate to contact my administrative assistant, Karen Fitzgerald, or myself at 630-493-8300 with any questions.

Thank you for your continued support.

Sincerely,

A handwritten signature in black ink, appearing to read "J. Howard". The signature is written in a cursive, flowing style.

Search and Seizure (7:150) – Student Rights and Responsibilities

School authorities may inspect and search school property and equipment owned or controlled by the school (such as lockers, desks, and parking lots) as well as personal effects left there by a student, without notice or consent of the student. This paragraph applies to student vehicles parked on school property. In addition, Building Principals shall require each high school student, in return for the privilege of parking on school property, to consent in writing to school searches of his or her vehicle, and personal effects therein, without notice and without suspicion of wrongdoing.

The Superintendent or his/her designee may request the assistance of law enforcement officials to conduct inspections and searches of lockers, desks, parking lots, and other school property and equipment for illegal drugs, weapons, or other illegal or dangerous substances or materials, including searches conducted through the use of specially trained dogs.

School Parking Regulations

Use of the school parking lot is a privilege for Lisle High School students. Parking for students at the high school is available, but limited. It will be available to students under the following conditions. Students who do not meet these conditions and drive their vehicles to school are responsible for the legal parking of their vehicles on property other than school property.

1. Juniors and seniors who hold valid drivers' licenses will be able to purchase a permit tag to park in the school lots after meeting the rest of these conditions.
2. A permit for parking must be secured from the attendance office. The tag must be properly displayed whenever a student vehicle is parked on school property during the school day. Failure to do so will result in a ticket issued by the Lisle Police.
3. Students are to park in the North and West lots in the numbered space assigned to them. Parking in the east (front of the school) will result in a ticket from the Lisle Police.
4. No student will drive, use or in any manner enter a vehicle until the end of the regularly scheduled school day except with permission from the Dean of Students.
5. Vehicles must be driven to conform to all appropriate statute, ordinances, and regulations. A vehicle may be searched by school administration or law enforcement officers at any time it is parked on District property without consent of the student and/or vehicle owner.
6. Excessive tardies to school, failure to follow school rules, and/or make reasonable academic progress may lead to loss of parking privileges.
7. The school will limit the number of parking permits issued based on available parking spaces.
8. By administrative decision, permits may be made available to sophomores. If issued, sophomore parking may be assigned to the Park District lot south of Short Street.
9. The Dean of Students has the discretion to issue temporary permits to park. Students must arrange in advance with the Dean of Students to use temporary parking.
10. Students may NOT share or redistribute parking tags/spaces.
11. It will cost five dollars to replace any lost parking tags.

Please make a check out for 148 dollars made out to Lisle High School.
