

The Lisle Booster Club is a 501(c)(3) not-for-profit organization made up of parent volunteers. The purpose and goal of the Booster Club is to support all athletic related activities, encourage team and school spirit, fund major projects, provide support to coaches for equipment, award scholarships to graduating seniors and much more.

Despite this past school year being undoubtedly difficult due to COVID challenges, the Booster Club was still able to provide funds toward student spiritwear, senior banners, and scholarships for the graduating seniors. This would not have been possible without the generous support of the Lisle 202 parents supporting the Booster Club through memberships.

As you begin planning for the 2021-2022 school year, please remember you can help the Junior High and High School athletes by becoming a member of the Booster Club. We invite you to get involved and join us at a meeting and/or volunteer!

You can find the latest membership information as well as view the latest spiritwear at LisleBoosters.com.

Thank you for your support!
