LISLE ELEMENTARY SCHOOL

April 2020

Dear Parents/Guardians,

Welcome to Kindergarten! Lisle Elementary School is pleased to welcome you to the 2020-21 school year! We are excited to work with your child as he/she grows as a learner and individual!

Please read carefully through the information below to ensure your registration goes smoothly. The forms in this packet must be completely filled out and the proofs of residency must be submitted to the Lisle Elementary School office before the third step of the registration process may begin. Thank you!

Kindergarten Registration is a four-step process.

Step One: Registration Packet

- Complete all the forms included in this packet.
- Provide copies of the following documentation:
 - Student's Birth Certificate (certified copy, Foreign Birth Certificates must have certified Translation)
 - Parent Identification (Driver's License, Passport, or State ID)
 - Any existing Legal Custody/Guardianship documents – If there are any legal documents pertaining to custody of the student, a copy of that document must be provided. This includes divorce decrees and temporary legal guardianship
 - Three Proofs of Residency (see attached)
 - Registration form
 - Kindergarten Screening Information
 - Transportation Form – Please indicate the AM and PM transportation method. If your child will ride the bus, please select an AM and PM bus stop from the Proposed Bus Stops list.
 - Home Language Survey

Step Two: Online Basic Information Form

- Go to <https://bit.ly/lisle202newstudentregistration> to access the Basic Information Form.
- Complete this information and submit the form.

Step Three: PowerSchool Account Set-up and Online Registration

Once your Basic Information is received and processed, you will receive an email including account set-up information for PowerSchool.

- Set-up your account
- Complete the online registration forms included in your new PowerSchool account.

Step Four:

Complete the payment process in July upon receipt of invoice.

Parents will have the option to register for either full day or half day (morning only) kindergarten. Our full day program provides additional instructional minutes earlier in the student's educational career to develop reading, writing and math skills. In addition, the full day program provides time for developmental play-based learning that is rigorous and intentional to further incorporate a focus on social-emotional learning. Full day students also participate in classes such as art, music, physical education, and technology.

As a reminder, children must be 5 years old on or before September 1, 2020 to be eligible for kindergarten.

Updated 4/2020

The documents that need to be filled out during the registration process are included in this packet. Completing these forms at home will reduce the amount of time it will take you to complete the registration process.

We look forward to seeing you!

Dear Parent/Guardian:

The State of Illinois requires that **all students entering Kindergarten** or school for the first time shall have a **physical examination before October 15th** of the school year.

- The exam must be dated within one year prior to the date the student enters school.
- **A parent/guardian must complete and sign the health history on the back of the form.** It is a two-sided form.
- A licensed physician, physician's assistant, or a nurse practitioner must complete, sign, and date the physical form.
- The medical provider must document and verify immunization requirements on the front of the physical form.
- Information on this form may be shared with appropriate personnel for health and educational purposes.

All children entering **kindergarten, second, and sixth grades** are required to have either an oral health exam performed by a licensed dentist within a year prior to **May 15** of the school year or a waiver form on file, or the final report card for the student may be held.

The Vision Examination or completed waiver form is also required for incoming kindergarten students and students enrolling in an Illinois school for the first time. This examination must be performed by a physician or by a licensed optometrist. It is required to have been performed by **October 15** of the current school year, or the next report card can be held.

There is also a form that must be filled out by the health care provider and the parent if religious exemption from Illinois mandated health requirements is requested for a student entering kindergarten. This form must be submitted to the school health office before or by October 15, 2020 to avoid exclusion from school.
