

July 18, 2018

Dear Lisle Families,

On behalf of the administration, faculty and staff of Lisle High School, I would like to welcome you to the 2018-2019 school year. We are eagerly anticipating the return of students and staff, knowing that this year will be an exciting one and students will take the next step in their academic and social journey.

In the last few years, one of our top priorities has been communication with our families. We are always searching for the best way to communicate both, important information and simple items of interest. We believe that our effectiveness in communication will promote parental involvement in our students education. We will continue to post our monthly Principal's Message on the first of every month, which can be found on the Lisle High School website, as well as sending out short weekly email blasts that keep everyone up to date on key events and issues happening at the high school. As always, we look forward to expanding the partnership between your family and our high school family. We all share one goal - your child's success.

Please do not hesitate to contact my administrative assistant, Karen Fitzgerald, or myself at 630-493-8300 with any questions.

I hope summer proves to be a memorable time for your family. We will continue our work here at Lisle, so we are able to continue to provide the best educational experience possible for our students.

Sincerely,

A handwritten signature in black ink, appearing to read "J. Howard".

Dear Parents/Guardians,

In an effort to provide our families with convenient access to our fees payment system, Lisle District 202 offers an online payment option using **MySchoolBucks**. This system will allow you to submit fee payments as well as purchase ancillary items such as gym uniforms.

How does online payment work?

Will there be a fee for using this system?

No, there will be NO FEE for utilizing online payment through MySchoolBucks for school fees.

Are other items available in MySchoolBucks?

A Web Store is also included in this system which allows users to purchase gym uniforms and other additional items provided by the schools. Each school will determine which items will be included in the Web Store.

Search and Seizure (7:150) – Student Rights and Responsibilities

School authorities may inspect and search school property and equipment owned or controlled by the school (such as lockers, desks, and parking lots) as well as personal effects left there by a student, without notice or consent of the student. This paragraph applies to student vehicles parked on school property. In addition, Building Principals shall require each high school student, in return for the privilege of parking on school property, to consent in writing to school searches of his or her vehicle, and personal effects therein, without notice and without suspicion of wrongdoing.

The Superintendent or his/her designee may request the assistance of law enforcement officials to conduct inspections and searches of lockers, desks, parking lots, and other school property and equipment for illegal drugs, weapons, or other illegal or dangerous substances or materials, including searches conducted through the use of specially trained dogs.

School Parking Regulations

Use of the school parking lot is a privilege for Lisle High School students. Parking for students at the high school is available, but limited. It will be available to students under the following conditions. Students who do not meet these conditions and drive their vehicles to school are responsible for the legal parking of their vehicles on property other than school property.

1. Juniors and seniors who hold valid drivers' licenses will be able to purchase a permit tag to park in the school lots after meeting the rest of these conditions.
2. A permit for parking must be secured from the attendance office. The tag must be properly displayed whenever a student vehicle is parked on school property during the school day. Failure to do so will result in a ticket issued by the Lisle Police.
3. Students are to park in the North and West lots in the numbered space assigned to them. Parking in the east (front of the school) will result in a ticket from the Lisle Police.
4. No student will drive, use or in any manner enter a vehicle until the end of the regularly scheduled school day except with permission from the Dean of Students.
5. Vehicles must be driven to conform to all appropriate statute, ordinances, and regulations. A vehicle may be searched by school administration or law enforcement officers at any time it is parked on District property without consent of the student and/or vehicle owner.
6. Failure to follow school rules, received excessive tardies to school, and/or make reasonable academic progress may lead to loss of parking privileges.
7. The school will limit the number of parking permits issued based on available parking spaces.
8. By administrative decision, permits may be made available to sophomores. If issued, sophomore parking may be assigned to the Park District lot south of Short Street.
9. The Dean of Students has the discretion to issue temporary permits to park. Students must arrange in advance with the Dean of Students to use temporary parking.
10. Students may NOT share or redistribute parking tags/spaces.
11. It will cost five dollars to replace any lost parking tags.
