

# Lisle 202 Board of Education

## Meeting Highlights

### May 21, 2018

---

#### Accent on Achievement

The Lisle District 202 Board of Education was pleased to recognize the People's Choice Winners from the District Art Show that was held this past March. Students in PreKindergarten through 12<sup>th</sup> grade were honored for their accomplishments. Please take a look at the [photo gallery](#) from the celebration.

#### Lisle High School Credit Recovery Option

In a continued effort to support student needs, this summer Lisle High School will offer a credit recovery English course for freshman who need to make up an English course credit. After examining a variety of options, a BYU online program coupled with in-class teacher support was determined to be the best option for the LHS program. This program is adaptable to LHS needs and curriculum, is aligned with standards, and provides a more economical option for families. The course will be offered Monday through Thursday for three hours each day over five weeks.

#### Vision 202: 2018

On Saturday, May 19<sup>th</sup>, approximately 50 Lisle 202 stakeholders gathered to learn more about the new Lisle Elementary School. Participants "walked" through a virtual presentation of the interior and exterior of the building and saw the tremendous learning spaces that will support Lisle 202 students in the new school and had the opportunity to ask questions. For more information and images please visit the [Vision 202 website](#).

#### Lisle Elementary School Groundbreaking Celebration

Following the Vision 202 meeting, almost 200 community members came out to the [Groundbreaking Celebration](#) to honor the past and celebrate the future! The celebration began with the Boy Scout Pack 108 leading the crowd in the Pledge of Allegiance followed by Girl Scout Service Group 529 sharing a poem. Since the new school is for the students, each child in the crowd had the chance to take one of the first ceremonial scoops of dirt rather than the traditional groundbreaking first digs being done by administration and officials.

Families and community members had a wonderful time participating in the various "last time" activities including running the bases, shooting in the basketball hoop, rolling down the hill and touring the school. Thanks to the Lisle-Woodridge Fire District, kids had the chance to sit in the LWFD ladder truck and check out the inside of an ambulance, thank you to the DuPage Sheriff's Department for bringing Praise, one of the K-9 unit dogs and the Lisle Police Department for bringing a car, too. Everyone also had the opportunity to enjoy a sweet treat from the ice cream truck courtesy of the LEHSO.s

Lisle District 202 would also like to send a special thank you to the sponsors that contributed to making this day possible: Elan Photography, Allegra Printing of Lisle, Jewel of Lisle, the LEHSO and a private donation from a Lisle citizen.
