- Come to class prepared! This includes bringing your book, workbook, pencil, calculator, etc. to class every day.
- Courteousness and consideration should be practiced at all times during this class. This is in regards to fellow classmates, teachers, and guest speakers.
- Assignments, quizzes, and tests missed due to absence must be made up within a reasonable time after your return to school.
- Students are allowed up to two hall or washroom passes per quarter.
- Electronic communication devices must be used for educational purposes only.
- Students may drink beverages in class as long as they are responsible in a safe and appropriate manner.
- No food is allowed in the classroom.

ACADEMIC HONESTY

It is expected that all material submitted for this course is the actual work of the individual whose name appears on the material. Research information must be properly documented. Violations of academic honesty include, but are not limited to, cheating, plagiarism, and receiving help on a test. Copying another person's assignment will result in both the copied assignment and the original assignment guilty of academic dishonesty. A student found guilty of academic dishonesty is subject to failure of the assignment in question and/or failure of the course.

FIELD TRIP ELIGIBILITY

In order to be eligible to attend our field trip, a student must have greater than 90% attendance and C's or better in all courses according to the most recent Wednesday Eligibility Report.
