LATE WORK POLICY

It is the student's responsibility to ask what was missed during illness or absence. If a student is leaving for a period of time, they should contact the classroom teacher a week prior to request makeup work BEFORE said absence.

- **Formative Assignments (class work, activities, homework):** Late work must be completed by the end of the grading period. Anything turned in after the date it was due will receive a maximum grade of 60%
- **Summative Assignments (tests, quizzes, projects):** Late summative assignments must be completed by the end of the grading period. Students should schedule a time to make-up the summative assessment with the teacher. Times available to students are before or after school, during the student's study hall, or by special arrangement. All summative assignments will be valued at the actual success rate of the student's work.
